

Learn While You Earn Program
Student Application Form

*I have completed the study of the required first
10 Articles in the **Fire Bible**.
I am now ready to apply for my own personal **Fire Bible**
to complete the final 67 Articles.*

I am a self motivated student and am committing myself to study the **remaining 67 Articles** in the **Fire Bible**. I understand I can study the remaining Articles in any order I choose. (You might want to place a checkmark by the Articles you have studied. This will help you keep track of your progress.)

- I will continue my study of one Article in the **Fire Bible** each week. There are 77 Articles and I have completed 10 of them already.
- Give each completed Worksheet to my Chaplain or Religious Coordinator.

I commit to the **Learn While You Earn Program** and will do my best to complete at least one Article per week until I have completed the remaining 67 Articles.
